What is Challan:-

Challan is a standard form prescribed for government payments as per rules of Chhattisgarh Treasury Code known as CGTC. This format is designed for collection of government payments viz. sales tax, excise duty, professional tax, land revenue etc. from various private institutions, individuals from time to time and is implemented by government departments as per the requirements.

Process to make a Challan:-

To make a Challan, there is a form, which can be easily accessible from any stationary shop or stamp vendor from the courts. Applicant should fill the 4 copies of this form and have to submit it to the Branch of State Bank of India (which has the facility to make Challan, Applicant can confirm this from local SBI branch).

Applicant has to fill the following details in the space provided in Chaalan form:-

* By Whom Brought - Applicant's Name.

* On what Account – Public Information Officer, Name of the Department.

*** Head of Revenue - Major Head-0070-Sub Head-800-Other Receipts
(This head is only applicable for Chhattisgarh state.)**

*** Amount – As prescribed by the Government of Chhattisgarh.
(There are no provisions for any commission to make Challan.)**

E-Challan:-

Recently, Chhattisgarh government introduced a facility of E-Challan. This facility is very useful for people, because in practice it reduces the time to stand in queue for long time in Bank and you can easily make it through internet in few seconds.

To make an e-challan-

Firstly applicant should log on to www.chhattisgarh.gov.in and then click on the link of e-Challan. After clicking the link, he will find other link for the registration. He should register himself/herself to file an E-Challan. As applicant registers himself/herself, he can directly approach to the process to make e-challan by signing in on to home page. As he signed in on home page, he will find a list of departments. Then, he has to select the department and the details, which will be followed by the departments. Applicants, who have the accounts in SBI or UTI Bank can make a challan from here. Then the applicant should accomplish the formality to make payment and they will get the copy of the e-challan.

As this is a new facility to the people of Chhattisgarh. Some times it works, sometime does not. You have a very good luck to file an e-challan with this site.

Non Judicial Stamps:-

Applicant can get the Non Judicial Stamp from their local stamp vendor at courts. There are two types of Non Judicial. One is Non Judicial Stamp {NJS} and the other is Non Judicial Paper {NJP}. Chhattisgarh government notified Non Judicial Stamp as mode of payment for payment of fees under the RTI.

The NJS is a very small revenue stamp size ticket, which applicant can affix on their RTI application. But, many stamp vendors don't have because of different reasons, so they provide NJP to the people.

Chhattisgarh government is accepting the NJP also as mode of fees. So, applicant can write their application on it or they can enclose the NJP with their paper of application. These both ways to file application are accepted.
